

VOLUNTEER

The Youth Rally is always looking for amazing volunteers to join our counselor and medical team. Applications for volunteer teams will be available on our website in early 2020: www.youthrally.org

Travel to San Diego in 2020!

Additional information on how to book travel will be sent out upon application approval. Start by visiting our website application page and making sure your registration is 100% complete. Campers arriving by flight will be met at their gate by a member of the Youth Rally team.

YOUTH RALLY

Contact us for information.

I don't have an ostomy, can I still participate?

No problem! Our program is designed for youth with any condition of the bowel or bladder system. We've seen over 45 different diagnoses over time, not all requiring ostomy surgery.

We encourage all adults with compassion for those living with medical/physical challenges to volunteer.

OUR CAMP

The Youth Rally is a 5-night camp for kids ages 11-17 living with ANY condition affecting the bowel and/or bladder system.

2020 Youth Rally, July 20th-25th

The 2020 Youth Rally will take place in San Diego, CA. Program activities will include a blend of educational and recreational activities. All scheduled activities are designed to be accessible so that all campers and volunteers can participate.

Our Medical Team

Our medical team is a mixture of nurses and other medical professionals from a variety of specialties. They oversee the care of our campers throughout the week. Many of our nursing volunteers have specialized experience in ostomy and wound care.

"Youth Rally has helped me become more independent and confident in myself and learn more about my diagnosis. I hope to come back next year and help others to know that they are not alone!"

-Hannah, Youth Rally Camper, age 16

?

Who can attend Rally?

Camper participants must be 11 years of age at the time of camp.

Adult volunteers must be 19 years of age at the time of camp.

?

Why choose Rally?

- Youth Rally is hosted at a fully accessible college campus proximal to an international airport hub and pediatric GI/GU specialists.
- Educational sessions focus on self-esteem, self-advocacy, and independent living.
- Licensed medical professionals and adult volunteers are available to assist with the medical/physical needs of campers.
- Many of our volunteers live with the same sorts of conditions as our youth participants.
- Our nonprofit organization is staffed 100% by volunteers. Every dollar raised goes directly to program and camper sponsorship.
